

Strikes in the pharmacy

Important
message

Pharmacy employees strike in the pharmacy

Pharmacy assistants and pharmacy employees are striking for a better national collective labor agreement and fairer wages. This is an action by the labor unions FNV and CNV.

The strike is

What does this mean to you?

Pharmacy care will continue, but will be organized differently than you are used to. The safe use of your medication remains our top priority. Your pharmacy is only open for emergency prescriptions. We ask for your understanding.
